The SCE EDGE S.T.A.R. Workshops are offered at “no cost” and open to the public.

## Pillars of a Bank-Ready Business: Structure, Credit, Capital & Protection

Participants will learn to:

- Understand the core pillars of a bank-ready business and why they matter
- Learn how proper business structure supports lending readiness
- Identify steps to build and strengthen business credit
- Explore funding option and capital readiness considerations
- Recognize the importance of protection strategies such as insurance and risk management
- Prepare their business to engage confidently with lenders and funding partners
